

Blue Water Navy Vietnam Veterans Association is Seeking Veterans

Saturday, May 3rd, 2014 | Posted by [Veterans Today](#)

Are you a Military Veteran? I am a staunch advocate of Veterans and ensuring they receive the benefits and Medical care they deserve.

I am the Director of Corporate Resources for the Blue Water Navy Vietnam Veterans Association and I am looking for members. If you are a

Veteran with an Honorable discharge please consider joining our organization. Our primary focus, but not our only focus, is on helping Vietnam War

Veterans affected by exposure to Agent Orange type illnesses. To see what we're all about you can visit us at <http://www.bluewaternavy.org/>.

You can fill out a membership application by clicking this link:

<http://form.jotform.us/form/40732840361146>

The same form can be used for Associate Membership, so you need not be a Veteran.

I'm looking forward to getting your application.
