

Jo-Rita and I would like to thank the Honor Guard for their presence at the funeral for my father-in-law, Leo Braun. Everyone was so impressed at the respect and dignity they showed. Our family and friend and even the priest, deacon and altar boys commented on how professional they were. I'm sure pop is resting in peace because his wish for a military funeral was fulfilled. Everyone commented on the precision of the changing of the guard. Our sincere thanks to the honor guard for the service and dedication.

Thank You,
Chuck and Jo- Rita Bauer
