VA Updates Online Application for Health Benefits

WASHINGTON – Veterans will find it easier and faster to apply for their health care benefits now that the Department of Veterans Affairs has updated its online Form 10-10EZ, “Application for Health Benefits.”

“VA is committed to tapping into the best that technology has to offer to ensure Veterans receive the benefits they have earned,” said Secretary of Veterans Affairs Eric K. Shinseki. “We continue to look for new ways to improve access to care and benefits.”

This revised online application provides enhanced navigation features that make it easier and faster for Veterans to apply for their health care benefits. This new version also allows Veterans to save a copy of the completed form for their personal records.

The most significant enhancement allows Veterans to save their application to their local desktop and return to the application at any time without having to start over. Previously, Veterans had to complete the form in a single session.

This updated online form, along with the revised VA Form 10-10EZ, reduces the collection of information from Veterans by eliminating some questions.

In addition, there are minor changes to simplify the wording of questions and provide clarity in the instructions. Further enhancements to the online application are expected to be delivered in increments throughout 2010.

Veterans may complete or download the 10-10EZ form at the VA health eligibility website at <https://www.1010ez.med.va.gov/sec/vha/1010ez>. Veterans may also contact VA at 1 (877) 222-8387 (VETS) or visit the VA health eligibility website at www.va.gov/healtheligibility.
